Requesting sanction to the resolution of the Nagar Town Mll Cl to extend the services of the Octroi Mutsaddi by six months.

Sub: The octroi Mutsaddi at Nagar Town H attained the age of superannuation on 9-1-1943 The Dc seems to have issued instructions to the Municipal president to retire the official from that date But a majority of the members of the Mll Cl have resolved in a special meeting convened on 30-12-43 for the purpose, that the services of the said Mutsaddi may be continued for one year more on the ground that he is fit for work and that he has promised to show continued progress in collections In these circumstances, the mutsaddi has been continued in service and orders have been solicited for the same The Dc recommends that in exchange for six months from 9-1-43 may be granted to him

While recommending the case, the Municipal President writes that "though the said Syed Ismail is very old and though it has been observed in the several inspection notes of the Dcs that the poor income of the Mll under octroi is due to this person, still in view of his representation and in view of the strong recommendation of the Council his case has to be considered sympathetically".

the recommendation of the DC to grant an extension of six months to the said Mutsaddi is for orders

4/1513 4 One Syed Ismail is the doctor Mutsaddi in Nagar Zamthly He became superannuated on 9/1/1943 The Nagar Zamthal decided to retire him from service, so long back as May 1942

5 At his request & on the written recommendation of 16 Councillors, the question was reconsidered on 9/1/1942 and the Council resolved that he might be given an extension of service by one year from 1/1/1943 On this, the President has recommended the The Mutsaddi may be given extension for six months only in the first instance The DC Nawadih has also recommended that the term of the Mutsaddi may be extended by six months in the first-instance

6 The Mutsaddi became superannuated on 9/1/1943, A recommendation for continuing him in service beyond that period should have been made earlier than that date, Whereas, in this case, the letter from Council forgot two months after that date on the reasons for delays thereon

7 The President in his letter dated 7/1/43 has made the following remarks about this official "The Syed Ismail is very old and they it has been observed in the Local inspection [illegible] the last recommendations that the

your income of this M.L.H. under action is due to him person, yet in view of his rep representation and in view of the strong recommend of the council, his case has to be considered sympa

2 The service register shows that he was under suspension from 1 2 36 to end of March 1936 But this was subsequently cancelled the pay due was declared to him for the period He was promoted as acting Inspector on 17 4 35 was reverted to his place as acting Inspector at Nagpur until a period of three months No character roll has been written up beyond the year 1938

3 We do however observe that the Govt might not have Continued him in service in anticipation of sanction of the extension that as however, he is doing good work & physically fit to continue in service we may be given extension six months from 9 1 1943

Having regard to the statement made at Supra, it is a matter for consideration if this is a case in which the extension of service could be justified Sunday

Sir,

Subject - extension of six months service to Octroi Mutsaddi at Magadi Town Municipality-recommends the

I have the honour to state that one Syed Ismail, Octroi Mutsaddi at Magadi Town Municipality attained the age of superanuation on 9-1-1943 Instructions had been issued to the Amildar President of the Municipality to retire the said Mutsaddi with effect from the date of superanuation It is seen from the enclosed file that the mutsaddi presented a petition to the Municipal Council on 25-12-1942 praying for one year's extension of service on the ground of poverty and his ability to continue in service On a signed application of 16 Municipal Councillors a special meeting was held on 30-12-1942 to consider this question It was resolved therein that as the mutsaddi was still fit for work and promised to show continued progress in octroi collections he might be retained in service for one year more

The Amildar President of the Municipality reports that though the mutsaddi is old, still in view of his representation and strong recommendation of the council, the case may be considered sympathetically and that an extension of six months be sanctioned in the first instance with a stipulation that if he shows a tangible improvement of octroi revenue during that period, his case for the extension of further six months would be considered separately It is further reported that the services of the mutsaddi have been

6

been continued pending final orders

The pay of the mutsaddi is Rs 15/- in grade 11-1-15 When it was definitely ordered in this office memo that the mutsaddi should be retired from 9-1-1943, the Amildar Presdient ought not to have continued him in service in anticipation of sanction of the extension As however ~~the~~ it is reported that the mutsaddi is doing good work and physically fit to continue in service and as the Municipal Council strongly recommends his retention in service for a further period of one year, I request that sanction of Government may kindly be obtained to grant him an extension of six months service with effect from 9-1-1943 The connected papers with the service register and character book of the official are enclosed for favour of reference and return

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
